To Whom It May Concern:

We received feedback from many of our patrons in favor of cell site construction on El Campanil Theatre's property, and 100% of respondents were in support of the project. Some additional written comments are included below, with their voluntarily-given names and addresses.

"Please, please, please, please, please let this pass."  
Karen Baker, Whitetail Drive, Antioch

"Anything to help downtown Antioch is a positive."  
Ann Adams, 3187 Contra Loma Blvd., Antioch

"My wife's provider is T-Mobile, so she'd appreciate a new cell tower."  
Michael Beliso, 609 Cat's Eye Ct., Antioch

In addition, as El Campanil is a non-profit institution, the guaranteed monthly revenue from T-Mobile for this lease would lend much-needed monetary support for our concert series, film series, and educational programs.

We hope that this information is constructive to the causes of building this much-needed cell tower in downtown Antioch, and as another means of preserving an historic venue in a time when the arts are desperately needed in our city.

Respectfully submitted,

Joel Roster  
Executive Director  
El Campanil Theatre
